

Coastal Cardiovascular Consultants, PA

APPOINTMENT AND CANCELLATION POLICY

Our goal is to provide quality medical care in a timely manner. This policy enables us to better use available appointments and to ensure that our patients are respectful of other patients that are in need of medical treatment. Timely cancellation allows us to give another patient the opportunity to be seen.

**To schedule, reschedule, or cancel an appointment:
Please call 732-458-6200**

RESCHEDULING OR CANCELING AN APPOINTMENT

Any change to a scheduled appointment requires 48 business hours notice.

LATE ARRIVALS

Arriving late for an appointment inconveniences patients who have arrived on time. We ask all our patients to arrive 15 minutes prior to their scheduled appointment time to complete paperwork and be prepped by our staff for the doctor's visit. Any patient arriving more than 5 minutes after their scheduled appointment time will be asked to reschedule to the next available appointment time.

FEES

The following fees apply when a patient does not show up for a scheduled appointment, does not provide adequate notice (48 business hours) of an appointment change, or arrives late for an appointment.

Doctor's office visit - \$50

Nuclear stress test - \$150

Echocardiogram, vascular exam, holter monitor, exercise stress test - \$50

Fees are the responsibility of the patient and are not reimbursable by your insurance company. Fees must be paid prior to the rendering of future services (prescription refills, office visits, testing appointments etc....)

COURTESY REMINDERS

As a courtesy, our staff will attempt to call you with an appointment reminder several days prior to your appointment. Please realize that the courtesy call does not relieve you of your responsibility to keep your scheduled appointment time. It is important that we have accurate phone contact information for you on file.
